

Keep-cool comfortable waists for Warm Summer Days.

The secret of keeping cool is to look cool; and one certainly does "look" cool with a fresh, clean, crisply-laundered wash waist.

And here are the kind of Waists that will launder and launder well; that are so well made of quality fabrics that they really invite frequent tubbings.

Add to this the fact that they are winsomely styled and very modestly priced and then you'll appreciate the fact Blouse buying here is the prudent and economical thing to do.

NEW WIRTHMOR WAISTS \$1.50

It's the WIRTHMOR PLAN that makes these wonderful values possible.

Bond Issue Election Next Tuesday.

Tuesday, September 2nd, is the date of the special election in Ste. Genevieve County to determine whether or not the county shall issue \$225,000. in bonds for road purposes. It is the time when the people shall say whether this county shall progress and go into bigger things or whether the future shall be reactionary. The voters will decide whether to join with other counties of the state, in the good road campaign or if Ste. Genevieve County will continue with bad roads. The rural districts will expand with good roads; without them it will be a slow drag through the mud. Every part of the county will be benefited if the bond issue carries and everyone should take an active interest and turn out and vote for the bond issue next Tuesday.

TO THE PUBLIC.

The undersigned beg leave to inform the public, that beginning with next September, a two years Commercial Course will be opened at the Parochial School. This course will comprise the following branches:

Christian Doctrine.
Business English.
Commercial Law and Arithmetic.
Bookkeeping.
Shorthand or Stenotype.
Typewriting.
Business Writing.

While it is very desirable that all who can possible do so take a High School Course, which includes four years. It has been the experience that a large number of pupils begin the High School Course but discontinue it before the completion of the term. Taking at least a two year course, will give the students the advantage of fitting themselves for a business position.

All those who have completed the Eighth Grade are entitled to the Business Course.

adv. BOARD OF TRUSTEES.

Vote for the roads bonds issue next Tuesday, and get your neighbors to do likewise. If anyone tells you that he is satisfied with the road he already has ask him if he built that road or whether others did not help as much as he did. Then it is his duty to help others get good roads. One hand washes the other, and if the roads bonds issue carries he will not only help his friends get good roads, but his own road will be made still better than it is now.

I have several requests for special instructions in various High School subjects by parties that are unable to attend the regular day school. By-Gosh in Town

A circus clown known from coast to coast as "By-Gosh" and formerly with the Barnum and Bailey Circus is in Ste. Genevieve rehearsing a cast of fifty of our school boys and girls for his original show, "The Seldom Fed Minstrels" which will be produced at the Armory Hall next Monday night in connection with a Big Free Dance with music by a Special Orchestra. By-Gosh has produced his entertainment in all the larger cities and he is well known in his profession for writing several comedy plays and he has written several comedy productions for the Fatty Arbuckle Film Co. So if one cares to laugh he better be at the Armory Hall Monday night. The mere sight of our children blacked and dressed as negro comedians should be a certain, sure cure for the blues, adv.
